Custom Auto/ Karting Suit Measuring Guide

Driver/ Team:

IMPORTANT:

- Be sure to read all information pertaining to this form with the highest attention to detail....
- All measurements need to be exact body measurements. Do not add any added measurements to your measurements as our production staff adds extra inches to these for movement in the suit.
- **URGENT:** Please get measured by a professional tailor who has extensive experience making custom men's suits or woman's dresses and have them watch our supplied step by step youtube measurement video.. **Axcel Sports is not responsible for any wrong measurements supplied to us that result in a suit being made incorrectly due to wrong measurements supplied to us.**
- **The total measurements of letters L, M, & N when added up, must equal the exact same measurement of letter O.**
- Please sign your name below in the area that says customer signature.
- Please refer to the measuring diagram on page 2 for detailed instructions on each measurement.
- We cannot accept any measurement sheet with scribbled out wrong measurements.
- Please be sure to write clearly and legibly.

PLEASE WRITE CLEARLY AND LEGIBLY.....
