

Your Passion Drives Us To Axcel.....

Our company Axcel Sports is a manufacturer of auto and moto sport protective race wear. We pride ourselves on the fact that we are heavily involved in all aspects and segments of the sport surrounding the protective gear used by the competitors and teams, and we know once you try Axcel you will believe in us....

Custom Race Leathers: Axcel offers fully custom made race leathers, from concept, design to full production. We work hand in hand with our customers to understand their exact design needs and specifications, so that you will feel confident not only in our capabilities on producing a beautiful suit for you, but more importantly on the safety of our suits.

British Superbike rider Brodie Waters
In his custom Axcel race leathers.

“After trying lots of suit makers in the past few seasons we have found one that produces a suit of great quality, fit and design. Designed exactly how we needed with all sponsor logos printed AXCEL leathers are without doubt a company you will hear more from over the next few seasons. We will without doubt be using them for 2013.”

AMA Pro flat track racer Adam Bushman in his Axcel race leathers.

“My experience with Axcel Sports has been unmatched by any other custom leather suit producer. They were able to bring my custom suit design and specifications to life in a matter of weeks. Not only did I get these leathers quickly, but the quality is top of the line. They fit perfect, looked awesome, and held up to the beating of flat track racing.”
